Backache Spells Danger

Do you know that your bad back may be merely a hint of some hidden, deep-seated kidney disorder? Census records show that deaths from kidney disorders have increased 73% in 20 years. People can't seem to realize that the first pain in the back, the first disorder of the urine, demands instant attention—that it may be a signal of coming rheumatism, gravel, dropsy or fatal Bright's disease. The best prevention of serious kidney disorders is prompt treatment—the best medicine is Doan's Kidney Pills.

A Colorado Case

"Every Picture Tells a Story" Mrs. G. H. Day, 447 E. Third St., Salida, Colo., says: "For nine years my kidneys were weak and the pain in my back got so bad I had to get up at night and walk the floor. I couldn't sleep and I was so miserable I knew something must be done. Finding good results from the first box of Doan's Kidney Pills I kept on with them and five boxes completely cured me. Whenever I have taken Doan's Kidney Pills since I have had fine results. I am and always will be a strong endorser of Doan's Kidney Pills."
